[Verse 1]

A C
I wanted to be with you alone
A C
And talk about the weather
A C
But traditions I can trace against the child in your face
A C
Won't escape my attention
A C
You keep your distance with a system of touch
A C
And gentle persuasion
A C
I'm lost in admiration, could I need you this much?
A
Oh, you're wasting my time
C
You're just, just, just wasting time

[Chorus]

G Em
Something happens and I'm head over heels
G Em
I never find out till I'm head over heels
G Em
Something happens and I'm head over heels
D7sus2
Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away

[Pre-Verse]

A C
Throw it away
A C
Throw it away

[Verse 2]

A C
I made a fire and watching it burn
A C
Thought of your future
A C
With one foot in the past, now, just how long will it last?
A C

No, no, no, have you no ambition?
A C A
My mother and my brothers used to breathe in clean air
C
And dreaming I'm a doctor
A C
It's hard to be a man when there's a gun in your hand
A C
Oh, I feel so

[Chorus]
G Em
Something happens and I'm head over heels
G Em
I never find out till I'm head over heels
G Em
Something happens and I'm head over heels
D7sus2
Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away

[Post-Chorus]
C D
And this is my fourleaf clover
C
I'm on the line, one open mind
D
This is my fourleaf clover

[Interlude]
C D C D

in my mind's eye

one little boy, wandering by
funny how

Time flies
