**C Dsus2**

[Verse 1]

**A** **C**  
I wanted to be with you alone  
**A** **C**  
And talk about the weather  
**A**  
But traditions I can trace against  
**C**  
the child in your face  
**A** **C**  
Won't escape my attention  
**A**  
You keep your distance with a  
**C**  
system of touch  
**A** **C**  
And gentle persuasion  
**A**  
I'm lost in admiration, could I  
**C**  
need you this much?  
**A**  
Oh, you're wasting my time  
**C**  
You're just, just, just wasting  
time

[Chorus]

**G** **Em**  
Something happens and I'm head over  
heels  
**G** **Em**  
I never find out till I'm head over  
heels  
**G** **Em**  
Something happens and I'm head over

**A** **C**  
I made a fire and watching it burn  
**A** **C**  
Thought of your future  
**A**  
With one foot in the past, now,  
**C**  
just how long will it last?  
**A** **C**  
No, no, no, have you no ambition?  
**A**  
My mother and my brothers used to  
**C** **A**  
breathe in clean air  
**C**  
And dreaming I'm a doctor  
**A**  
It's hard to be a man when there's  
**C**  
a gun in your hand  
**A C**  
Oh, I feel so

[Chorus]

**G** **Em**  
Something happens and I'm head over

Left of west and coming in a hurry

**Cmaj7**

With the Furies breathing down your

**Cmaj7**

Look at that low plane, fine, then

Uh oh, overflow, population, common  
group

**Cmaj7**

But it will do, save yourself,
